

## **Ely Wildspace Vision and Objectives**

The wording agreed at the 31 January 2017 meeting:

### 1. Ely Wildspace Vision

*'To protect and enhance the Ely Wildspace environment for the benefit of wildlife and the local community.'*

### 2. Ely Wildspace

*'Ely Wildspace means the green corridor of natural and semi-natural habitats around the city of Ely and the biodiversity that depends on it.'*

This definition means we can add to the area should the need arise, as with the latest suggestion to includes parts of north Ely.

### 3. Objectives

- i. Defend Ely Wildspace against harmful developments and strengthen its legal protection and status.
- ii. Promote the enjoyment of the Ely Wildspace environment, in participation with stakeholders, local people, local government and other organisations.
- iii. Enhance the Ely Wildspace environment through integrated and effective conservation management, in participation with stakeholders, local people, local government and other organisations.
- iv. Promote Ely Wildspace as a place of education, in participation with local schools and other educational bodies
